

Top 10 Art Collectors to Follow on Instagram (part 5 of 8)

Published Aug, 2017

Collectors - traditionally mythical creatures of the art world that from time to time can be glimpsed at during private views, or to be more precise at VIP previews of Frieze, Basel, Tefaf and a handful of other fairs and biennales. In the 21st century, collectors are turning into mere mortals as they join the rest of us Instagram. Get your phones out and start following these gals and guys.

This is the 5th part of an 8 part series.
